HALE'IWA ARTS FESTIVAL INFORMATION, GUIDELINES AND RULES FOR FOOD VENDORS

The purpose of the following guidelines and rules for the Summer Event is to ensure a successful event for the Hale'iwa Arts Festival, the vendors, the visual artists, the performing artists, community group participants and the attending public, and to adhere to City and County of Honolulu procedures. Your cooperation is essential.

Should an emergency or other situation arise requiring an exception to any of the following rules, the Event Coordinator must be notified and permission received before the exception is made. Infractions may result in a withholding of submitted deposits, removal from the site or other remedies as may be appropriate.

- Food Vendors must submit all documents and meet all deadlines described in the General Contract and the attached "Reminder" list;
- Assigned booth space is approximately 15'x15';
- All Food booths, signage, any tables and chairs, and decor must be set-up during the hours described in the contract and completed ½ hour before the opening hours of the event on each of the two days. Shut down and cleanup of food booths will be allowed after the minimum hours of operation, but no vehicles will be permitted on the event site during hours of public attendance unless authorized by the Event Coordinator;
- Bathrooms with sinks are available near the food concession area, added porta-potties will be supplied;
- Food waste and waste-water must be disposed of in a safe and sanitary manner.

- Food vendors must provide all signage, labor, supplies and materials necessary for the operation of their concession, and for the safety and comfort of their patrons, (utensils, trash receptacles and replacement

- Hale'iwa Arts Festival is once again seeking permission to drive onto the event site for set-up, tear-down, and restocking of concessions during hours that the public is not in attendance. However, this is not secured at this time. Obtain permission from the Event Coordinator before driving onto the park grounds for any reason;
- Any tent stakes or stakes to secure trashcans must be driven into the ground in areas that will not damage sprinkler pipes. These lines will be marked prior to your setup. Stakes and any tie-down lines should be flagged and stakes need to have protective covers or padding on the top;
- Each vendor is required to have a currently certified fire extinguisher at their site;
- Vendors and their agents, as well as all other Hale'iwa Arts Festival participants and attendees must abide by all rules established by the City and County of Honolulu regarding public use of City Parks. No alcohol, drugs or pets are allowed at this event. HPD will be on site to see that these directives are adhered to;
- If inclement weather occurs during the event, vendors may secure and protect their products and equipment from damage, but

must remain at their booths unless notified by the Event Coordinator that they may leave, or that the event has been canceled.
